To whom it may concern

I am excited to apply for your Front End Web Development

position. Though I am an entry-level applicant, I'm passionate

about doing an outstanding job and apply, quick

critical thinking, and logical technical skills to improve work

efficiency.

I am interested in continuing my career in the Web and

Software Development field. I believe I will

make an excellent Fron End Web Development employee

thanks to my passions as well as the following future

accomplishments:

I believe that my combination of experience, online

courses, computer skills, and a proven diligent work ethic

demonstrates me as a well qualified candidate. Any skills that I

am lacking that can pertain to this specific roll, I can learn

quickly on the job.

I am excited to show you as well as my future coworkers how

my cheerful and efficient attitude can help provide a smooth

and positive experience within the company. I look forward to

hearing from you. Thank for your consideration.
